Test Details

SARS-CoV-2 (COVID-19) RT-PCR Test - Negative

Sample taken by a healthcare professional at one of DocTap's partner pharmacies.
Nasopharyngeal swab collected at 12/04/2021 07:13.

Clinical Assessment

Based solely on the result of this swab test, there is no COVID-19 related contraindication to travelling at the current time.

Kind regards,

A handwritten signature in blue ink, appearing to read 'Gugulethu Ndlovu'.

Dr Gugulethu Ndlovu MRCGP
GMC: 7130982

As with all COVID-19 swabs currently being offered, this test is not 100% accurate. DocTap have not assessed this person for COVID-19 symptoms.
